**2023-2024**

Sankofa would like to invite our stakeholders to share any ideas, concerns or information you may have that we can develop, implement, or review and then feasibly include in our goals for our 2023-2024 Wellness Policy.

This policy is beneficial for developing lifelong health habits which promote learning and over-all well-being for our students. Please send any information to [sankofa@dbcschool.org](mailto:sankofa@dbcschool.org).

**Thank you!**
